Reasons for Changing BVA's October Meeting to Wednesday

Due to the Thursday October 11th, Lutheran Art Show opening, which falls on BVA's regularly scheduled meeting night, BVA will now be holding its October meetings on the Wednesday before our regular meeting night. Reasons given for this change are as follows: To preserve BVA's October demonstration program, to preserve the integrity of BVA's October business meeting by moving it away from the distractions of a neighboring external art event and also to allow BVA exhibitors full time to attend the artist's reception without the obligation of having to attend a BVA business meeting during that same evening. ❖

BVA Member David Bentley to be Featured Artist --

David Bentley will be exhibiting a collection his photographic works at the Christ's Evangelical Lutheran Church Show in Beaver Falls. Opening reception Oct. 11th, 7-9 PM.

Of Interest -- The 2007 Hoyt Mid Atlantic Art Exhibition runs from Oct. 2 thru Nov. 21. An opening artist's reception will be held on Oct. 7th. ❖

Newsletter Submissions -- Send to Linda Headland at lheadland@beavervalleyartists.org ❖

BVA's Website Members Pages -- Instructions for member's artwork submissions will be presented at our October meeting. Photo images of member's artwork must be digitized and then saved as a jpeg file before they can be added to our website. This process does involve some skill in acquiring good results. Also, each member may submit 100 words or less on the topic of art, i.e, their biography, art methods, medium, style, influences, inspirations, etc.... anything of interest about you as an artist. ❖
